Subject: Public Records Complaints of October 8, 2013

Mr. Oslzly:

Your public records complaints against the City of Lincoln, Nebraska State Court System, Nebraska Department of Corrections, Nebraska State Fire Marshal, and Nebraska State Historical Society have been received by this office. Your complaint as to each entity was that a public records request made by you was not responded to within four business days. We have made inquiry with each of the five public agencies into your complaints. As to the Nebraska Department of Corrections, Nebraska State Fire Marshal, and Nebraska State Court System, each of these agencies has responded to your public records request. As to the City of Lincoln and the Nebraska State Historical Society, your requests were not received at valid e-mail addresses. The City of Lincoln has advised that you are aware of the proper e-mail address with which to make public records requests. As to the Nebraska State Historical Society, the e-mail address you utilized does not exist and your records request was never received.

We do not believe you have been denied access to public records. No further inquiry into these matters by this office is warranted and the file containing your complaints against these entities has been closed.

Sincerely,

Natalee J. Hart
