RE: *File No. 11-R-121; Douglas County Conciliation and Mediation; George Killian*

Dear Mr. Killian:

This letter is in response to your second Public Records complaint received by us on July 14, 2011, in which you requested assistance in obtaining a response from the Douglas County Conciliation and Mediation Service ("Conciliation Court") to your request for records made to that public body on June 9, 2011. The Conciliation Court required additional time to respond to your request, and provided you with a letter dated June 15, 2011 in which it estimated it would provide you with records, or a cost estimate and request for deposit, by July 11, 2011. We contacted Mr. Lorin Galvin, Director of the Conciliation Court, regarding your complaint.

Mr. Galvin has provided us with a letter addressed to you and dated July 11, 2011 in which he specifies the records available for you pursuant to your public records request, details the costs related to those records, and requests a deposit from you. In light of this, no further involvement by this office is necessary related to your July 14, 2011 letter.

Sincerely,

JON BRUNING
Attorney General
