# IN THE DISTRICT COURT OF LANCASTER COUNTY, NEBRASKA

STATE OF NEBRASKA, ex rel. DOUGLAS J. PETERSON, ATTORNEY GENERAL,	Case No: CI 20
Plaintiff,	
v.	COMPLAINT
CELEBRITY HOMES, INC.,	
Defendant.	

COMES NOW, the State of Nebraska, ex rel. Douglas J. Peterson, Nebraska Attorney General, by and through the undersigned Assistant Attorney General (hereinafter "Attorney General", "State", or "Plaintiff"), and brings this action against Defendant Celebrity Homes, Inc. (hereinafter "Defendant") for violating the Consumer Protection Act, Neb. Rev. Stat. § 59-1601 et seq. (hereinafter "Consumer Protection Act" or "CPA") by engaging in conduct prohibited under the Consumer Review Fairness Act of 2016, 15 U.S.C. § 45b (hereinafter "Consumer Review Fairness Act" or "CRFA").

# **INTRODUCTION**

1. The Attorney General brings this action pursuant to the Consumer Protection Act to protect the public and pursuant to his statutory and common law authority, powers, and duties.

2. The Attorney General has cause to believe that Defendant has violated the Consumer Protection Act by engaging in conduct prohibited under the Consumer Review Fairness Act.

# **PARTIES**

- 3. Plaintiff is the State of Nebraska, ex rel. Douglas J. Peterson, Nebraska Attorney General. Pursuant to Neb. Rev. Stat. § 59-1608 of the CPA, the Attorney General may initiate civil law enforcement proceedings in the name of the State to enjoin violations of the CPA and secure such equitable and other relief as may be appropriate in each case.
- 4. Defendant, Celebrity Homes, Inc., is a Nebraska corporation with its principal place of business at 1809 S. 189<sup>th</sup> Street, Omaha, NE 68130. At all times relevant hereto, Defendant was and continues to engage in trade or commerce in the state of Nebraska by offering and selling custom homes both within Nebraska and to Nebraska consumers.

# **JURISDICTION AND VENUE**

- 5. The District Court of Lancaster County has jurisdiction over Defendant and the subject matter of this action pursuant to Neb. Rev. Stat. § 59-1608 because Defendant has transacted business within the State of Nebraska at all times relevant to this Complaint.
- 6. Venue for this action properly lies in the District Court of Lancaster County pursuant to Neb. Rev. Stat. § 59-1608.01.

# **FACTUAL ALLEGATIONS**

7. The Consumer Protection Act, Neb. Rev. Stat. § 59-1602, prohibits "[u]nfair methods of competition and unfair or deceptive acts or practices in the conduct of any trade or commerce."

- 8. The Consumer Review Fairness Act, 15 U.S.C. § 45b, was enacted on December 14, 2016.
- 9. As of March 14, 2017, Section 2(b) of the CRFA renders void, and Section 2(c) of the CRFA prohibits the offering of, form contracts containing a provision that: prohibits or restricts individual consumers' ability to communicate reviews, performance assessments, and similar analysis about a seller's goods, services, or conduct; or that imposes a penalty or fee against individual consumers who engage in such communications. 15 U.S.C. §§ 45b(a)(2), 45b(b)(1), 45b(c), and 45b(i)(1).
- 10. Congress empowered the FTC and the states to enforce the CRFA with respect to contracts in effect on or after December 14, 2017. 15 U.S.C. § 45b(i)(2).
- 11. A violation of Section 2(c) of the CRFA is an unfair trade practice. 15 U.S.C. §§ 45b(c) and 45b(d)(1).
- 12. The instant action was commenced following an investigation of Defendant by the Attorney General regarding Defendant's inclusion of certain review-limiting provisions in consumer contracts.
- 13. Defendant has offered, in the course of selling and constructing custom homes, form contracts to prospective customers that contained the following provision in the "LIMITATION OF CLAIMS / WAIVER OF SOCIAL MEDIA COMPLAINTS" paragraph:

All parties further agree to waive any right whatsoever to post complaints, derogatory narratives, uncomplimentary descriptions or otherwise on any social media or internet platform such as Facebook, Yelp, BBB, etc. and the parties further agree this provision is a material term. This provision shall survive closing.

14. Attached as Exhibit A is an exemplar of Defendant's form contract, entitled "Purchase Agreement" (with the purchaser's personal information redacted), that contains the

aforementioned "LIMITATION OF CLAIMS / WAIVER OF SOCIAL MEDIA COMPLAINTS" paragraph.

- 15. Defendant began offering this form contract in March 2018.
- 16. Defendant included the aforementioned "LIMITATION OF CLAIMS / WAIVER OF SOCIAL MEDIA COMPLAINTS" paragraph in at least 768 contracts since March 2018.

# **COUNT I:**

# VIOLATIONS OF THE CONSUMER PROTECTION ACT, NEB. REV. STAT. § 59-1601 ET SEQ.

- 17. The State re-alleges and incorporates by reference all of the factual allegations contained in the preceding paragraphs, as though fully set forth herein.
- 18. An unfair trade practice is one that either (1) is immoral, unethical, oppressive, or unscrupulous, or (2) falls within some common law, statutory, or other established concept of unfairness.
- 19. In numerous instances, as described in Paragraphs 13-16 of this Complaint, Defendant offered, in the course of selling its goods or services, form contracts that contained a provision barring or restricting the ability of consumers purchasing Defendant's custom homes from engaging in reviews, performance assessments, and similar analysis of Defendant's goods, services, or conduct.
- 20. As described above and without limitation, Defendant's acts or practices violate Section 2(c) of the CRFA, 15 U.S.C. § 45b(c), and are therefore unfair trade practices.
- 21. As described above and without limitation, Defendant's acts or practices constitute unfair acts or practices in the conduct of any trade or commerce in violation of Neb. Rev. Stat. § 59-1602.

22. Each and every contract offered by Defendant containing a provision that bars or restricts the ability of a consumer to engage in reviews, performance assessments, and similar analysis of Defendant's goods, services or conduct constitutes a separate and independent violation of the Consumer Protection Act.

## PRAYER FOR RELIEF

**WHEREFORE**, the State respectfully requests this Court:

- A. Permanently enjoin Defendant, its agents, employees, and all other persons and entities, corporate or otherwise, in active concert or participation with Defendant, pursuant to Neb. Rev. Stat. § 59-1608, from engaging in conduct described in this Complaint to be in violation of the Consumer Protection Act;
- B. Permanently enjoin Defendant, its agents, employees, and all other persons and entities, corporate or otherwise, in active concert or participation with Defendant, pursuant to Neb. Rev. Stat. § 59-1608, from violating the Consumer Protection Act and any amendments thereto;
- C. Grant such relief as the Court finds necessary to redress injury to consumers resulting from Defendant's violations of the CPA, including but not limited to, rescission or reformation of contracts, restitution, the refund of monies paid, and the disgorgement of ill-gotten monies;
- D. Order Defendant to pay the State a civil penalty in the amount of two thousand (\$2,000.00) dollars per violation, pursuant Neb. Rev. Stat. § 59-1614, for each and every violation of the Consumer Protection Act;
- E. Order Defendant to pay the State's costs and attorneys fees in this matter, pursuant to Neb. Rev. Stat. § 59-1608; and
  - A. Grant such further relief as the Court may deem just and appropriate.

Respectfully submitted this 17th day of September, 2020.

CONCRETE WARRANTY ACKNOWLEDGEMENT: Control joints are placed in the concrete to help control cracks and provide a less visible area for them to occur. It is the responsibility of the homeowner to caulk the control joints to better ensure against excess moisture getting under the slab. Keeping moving vans and heavy trucks off sidewalks and driveways will help you avoid one of the most common causes of concrete cracks. In addition, it is also strongly recommended that sand be spread on walks, steps, and drives during icy weather since de-icing products contain materials harmful to concrete. Many of these products cause either discolorationor peeling/spalling of the surface, or both. DO NOT USE SALT. SALT CARRIED IN UNDER THE CAR AND ON TIRES FROM CITY STREETS CAN ALSO DAMAGE DRIVES AND GARAGE FLOORS. HEAVING, DISCOLORATION/SPALLING/SCALING/ PEELING/CRACKING can be caused by elements outside the contractor's control and is not covered under your warranty.\*\*THIS PROVISION MODIFIES THE TERMS AND CONDITIONS CONTAINED IN THE 2-10 HOME BUYERS WARRANTY AND TO THE FULLEST EXTENT ALLOWED BY LAW SPECIFICALLY EXCLUDES ANY COVERAGE FOR EXTERIOR CONCRETE, INCLUDING BUT NOT LIMITED TO, DRIVEWAYS, SIDEWALKS, PATIOS, STOOPS, OR STAIRS

NOTICE OF PURCHASERS REGARDING REAL ESTATE TAXES In Sarpy/Douglas County, Nebraska the taxes on residential real estate are paid in the year following their assessment. Stated another way, real property taxes levied and assessed in 2017 are paid in 2018. The year in which the taxes are paid is called the year the taxes become delinquent. For example, the 2017 real estate taxes are delinquent if not paid in the year 2018. Thus, if you purchase a home in 2018, the real estate taxes, which are paid or adjusted at the closing, are the 2017 taxes. This is, and has been for many years, the local custom and the way your purchase agreement will be prepared. By way of further explanation, about September 1st each year, the County Commissioners send to the County Assessor the tax rate, which is expressed in a percentage form. The County Assessor then prepares the real estate tax statement by multiplying the tax rate by the full-assessed valuation of the property. The result is the amount of taxes on the real estate, which will be due. These tax statements are completed by the middle of December each year, and are then mailed out to the owners during the latter part of December. The first half of those taxes become delinquent on the following April 1st, and the second half of taxes become delinquent on the following August 1st. Since the real estate taxes are not known, or capable of being computed with any degree of accuracy until very late in the year in question, it has been the custom and practice in Sarpy/Douglas County, for many years, to prorate the real estate taxes for the year in which these taxes would become delinquent if not paid.

Any person in contractual privacy with the Builder whom the Homeowner contends is responsible for any construction defect in the Home shall be entitled to enforce this arbitration agreement. The arbitration agreement in the HBW Warranty is incorporated in full herein. By signing this Addendum, Buyer(s) agrees to all terms of the arbitration agreement. FURTHER AGREEMENT: Effective one year from the date of closing on the purchase of the home, Buyer(s) waives the right to seek damages or other legal equitable remedies from Seller, its subcontractors, agents, suppliers, or design professionals for any defect to the subject home, or the real property upon which it is situated, under any common law or statutory theory of liability, including but not limited to negligence and strict liability. The agreement contained in this Addendum shall be enforceable to the maximum extent permitted by the law of the state in which the home is located and shall be applicable to any claim made after the effective date of the agreement contained in this paragraph. This paragraph shall not be applicable where prohibited by law or to any written warranty provided by a manufacturer or vendor who has supplied any appliance or component.

CELEBRITY HOMES WARRANTY: Buyer(s) represents and acknowledges that Buyer(s) has been furnished a copy of the builder's One-Year Express Limited Warranty book.

LIMITATION OF CLAIMS / WAIVER OF SOCIAL MEDIA COMPLAINTS: Under no circumstances shall either Party be liable for any special, indirect or consequential damages (including claims of mental anguish or otherwise) relative to any claim arising from or related in any manner to this Contract.

All parties further agree to waive any right whatsoever to post complaints, derogatory narratives, uncomplimentary descriptions or otherwise on any social media or internet platform such as Facebook, Yelp, BBB, etc. and the parties further agree this provision is a material term. The Buyer shall bear all costs and expenses associated with the tests, approvals or inspections and Buyer hereby understands, acknowledges and agrees that regardless of the results of such testing and/or inspection, Buyer shall not be entitled to cancel his/her contract with the Seller and that Seller shall not be liable for any claims, complaints, demands, causes of action, damages or other liability relating to any mold or any other environmental hazard as set forth above and in the purchase contract between parties. Mold. Lately, mold has been in the news. Mold is a type of fungus. It occurs naturally in the environment, and it is necessary for the natural decomposition of plant and other organic material. It spreads by means of microscopic spores borne on the wind, and is found everywhere life can be supported. Residential home construction is not, and cannot be, designed to exclude mold spores. If the growing conditions are right, mold can grow in your home. Most homeowners are familiar with mold growth in the form of bread mold, and mold that may grow on bathroom tile.

In order to grow, mold requires a food source. This might be supplied by items found in the home, such as fabric, carpet or even wallpaper, or by building materials, such as drywall, wood and insulation, to name a few. Also, mold growth requires a temperate climate. The best growth occurs at temperatures between 40 Degrees and 100 Degrees. Finally, mold growth requires moisture. Moisture is the only mold growth factor that can be controlled in a residential setting. By minimizing moisture, a homeowner can reduce or eliminate mold growth.

Moisture in the home can have many causes. Spills, leaks, overflows, condensation, and high humidity are common sources of home moisture. Good housekeeping and home maintenance practices are essential in the effort to prevent or eliminate mold growth. If moisture is allowed to remain on the growth medium, mold can develop within 24 to 48 hours.

What the Homeowner can do. The homeowner can take positive steps to reduce or eliminate the occurrence of mold growth in the home, and thereby minimize any possible adverse effects that may be caused by mold. These steps include the following:

- 1 Before bringing items into the home, check for signs of mold. Potted plants (roots and soil), furnishings, or stored clothing and bedding material, as well as many other household goods, could already contain mold growth.
- 2 Regular vacuuming and cleaning will help reduce mold levels. Mild bleach solutions and most tile cleaners are effective in eliminating or preventing mold growth.
- 3 Keep the humidity in the home low. Vent clothes dryers to the outdoors. Ventilate kitchens and bathrooms by opening the windows, by using exhaust fans, or by running the air conditioning to remove excess moisture in the air, and to facilitate evaporation of water from wet surfaces.
- 4 Promptly clean up spills, condensation and other sources of moisture. Thoroughly dry any wet surfaces or material. Do not let water pool or stand in your home. Promptly replace any materials that cannot be thoroughly dried, such as drywall and insulation.
- 5 Inspect for leaks on a regular basis. Look for discolorations or wet spots. Repair any leaks promptly. Inspect condensation pans(refrigerators and air conditioners) for mold growth. Take notice of must odors, and any visible signs of mold.
- 6 Should mold develop, thoroughly clean the affected area with a mild solution of bleach. First, test to see if the affected material or surface is color safe. Porous materials, such as fabric, upholstery or carpet should be discarded. Should the mold growth be severe, call on the services of a qualified professional cleaner.

#### Disclaimer and Waiver

Whether or not you as a homeowner experience mold growth depends largely on how you manage and maintain your home. Our responsibility as a homemust be limited to things that we can control. As explained in our written warranty, provided by separate instrument, we will repair or replace defects in our construction (defects defined as a failure to comply with reasonable standards of residential construction) for a period of one year. We, the builder, will not be responsible for any damages caused by mold, or by some other agent, that may be associated with defects in our construction, to include but not be limited to property damage, personal injury, loss of income, emotional distress, death, loss of use, loss of value, and adverse health effects, or any other effects.

This notice, disclosure and disclaimer agreement is hereby appended to and made a part of the Purchase Contract and shall survive closing. The consideration for this Agreement shall be the same consideration as stated in the Purchase Contract. Should any term or provision of this agreement be ruled invalid or unenforceable by a court of competent jurisdiction, the remainder of this agreement shall nonetheless stand in full force and effect.

# NOTICE TO BUYER AND SELLER REGARDING WIRE FRAUD AND SUSPICIOUS COMMUNICATIONS

Please be aware that the Escrow Company under the attached Agreement may require a wire transfer of funds at Closing. Buyer and Seller should take care to provide wire transfer information only to proper agent of the Escrow Company. Funds should only be wired to the Escrow Company using account information provided by verified agents of the Escrow Company

Recently, criminals have been found attempting the impersonate escrow companies and real estate agents in wire fraud schemes. Unauthorized individuals have been caught providing fraudulent wire transfer information to parties in real estate transactions. This could include a criminal contacting Buyer or Seller, directly or indirectly, in an attempt to steal funds that rightfully belong to the parties.

In the event that any party believes an unauthorized request has been made for bank account information of funds, the Escrow Company should be contacted immediately. The requests should be verified immediately in person or by telephone using a telephone number that is known to be valid. Parties should be especially skeptical of last minute changes or requests coming from unknown representatives.

In the event that funds are transferred to a fraudulent account, there may be no way to recover these funds from the criminals involved. For this reason, it is extremely important that the Buyer and Seller are vigilant and only provide wire transfer information to proper representatives of the Escrow Company. Please contact the Escrow Company directly if you have any questions.
