D. PATIENT CONSENT

- ☐ YES ☐ NO I have been informed that my medical provider may seek reimbursement from the Nebraska Crime Victims Compensation Fund for any medical expenses that would otherwise be paid out-of-pocket by me only with my permission.
- ☐ YES ☐ NO I have been informed that a Forensic Nurse Examiner, also known as a Sexual Assault Nurse Examiner (SANE) nurse or a physician will conduct a forensic examination for the evaluation and documentation of injuries and collection of evidence. I understand that I may withdraw consent at any time for any portion of the examination.
- ☐ YES ☐ NO I understand that this consent and waiver authorizes a complete forensic examination to be performed, which may include, but is not limited to an evidence collection of Sexual Assault Evidence Collection kit, blood and urine samples, HIV testing, HIV and/or sexually transmitted disease prophylaxis.
- ☐ YES ☐ NO I understand that collection of evidence may include forensic photography of injuries and these photographs may include the genital area.

OPTION 1

Please utilize the following consent/waiver for all mandatory reports to law enforcement. Reporting to law enforcement is mandatory by law if the patient is under the age of 18 or the patient has suffered serious bodily injury, regardless of age.

- ☐ I understand that this consent and waiver also authorizes the release of medical and forensic records, evidence and photographs to the appropriate law enforcement, child protection and prosecuting agencies.

OPTION 2

If the patient is 18 or older and has not suffered serious bodily injury please utilize the following consent and waiver. I understand that this consent and waiver allows me to choose one of the following reporting options for my sexual assault exam and the sexual assault kit and evidence collection resulting from the exam. **Choose ONE of the three options below:**

- ☐ **Full Law Enforcement Report:** This authorizes the release of my sexual assault kit and evidence, records and photographs related to my sexual assault. These will be provided to the appropriate law enforcement and prosecuting agency.
- ☐ **Partial Report:** This allows my sexual assault kit and evidence to be collected and provided to law enforcement with my name only. I understand that DNA testing will be done on my sexual assault kit.
- ☐ **Anonymous Report:** This allows me to remain completely anonymous so my name and identifying information will not be provided to law enforcement. My sexual assault kit will be turned over to law enforcement for storage with only the kit number.
