FAMILY DISCUSSION QUESTIONS

for Consideration in Creating Internet Guidelines

PREPARE IN ADVANCE

Do you want your children to ask you before going online?

SET LIMITS

Do you want to limit internet use for your children or what time of day it can be accessed?

PRIVACY

Do you want to keep your children's profiles private with location settings turned off?

SHARED ACCESS

Do you want your children to use email? Do you want shared access to their account?

COMMUNICATION

Do you want to approve your child's followers or friends list for direct messaging?

SOCIAL MEDIA

Do you want your children to use social media? Do you want to approve which sites or apps?
