RE: *Public Record Matter Involving the Village of Brownville*
Our File No. 20231183

Dear Ms. Fish:

This letter is our final response to the petition you filed with this office on November 21, 2023. You had requested our assistance in obtaining ordinances for the Village of Brownville (Village) enacted since 2020. On December 6, 2023, we wrote to you indicating that we did not consider the inability to locate records to constitute a denial of public records under the Nebraska Public Records Statutes, Neb. Rev. Stat. §§ 84-712 to 84-712.09 (2014, Cum. Supp. 2022), but would follow up with the Village Attorney, Stephen D. Mossman, about your petition. On December 11, the undersigned spoke to Mr. Mossman, who agreed to continue the search for Village ordinances and provide you responsive records if located.

On February 15, 2024, we received a copy of a letter sent to you by Mr. Mossman in which you were provided a copy of "Village Ordinance 10-14-13." Mr. Mossman stated in his letter that a thorough review of Village records had been conducted, and "there are

no other ordinances.” Since you have now received records which formed the basis for your petition, no further action by this office is necessary and we are closing this file.

Sincerely,

MIKE HILGERS
Attorney General
